RESERVE TO PLAY

We would like to thank all our members for their support during these unprecedented times. We must continue to adhere to the public health guidelines set forth by our provincial and federal government as we are all in this fight together against COVID-19.

As we are hopeful and continue to prepare for the Outdoor 2020 House League season, we have set up administrative changes to aid in our planning. We encourage our members who would like to participate in the Outdoor 2020 House League Season, to RESERVE TO PLAY. The RESERVE TO PLAY, allows players to register for the Outdoor 2020 House League season without processing the payment today!

We encourage all participants to RESERVE TO PLAY in order to help us plan for the Outdoor Season! Additional season details can be found on our website, or by clicking here.

HOW TO RESERVE TO PLAY

RESERVE TO PLAY is active through our online registration portal of PowerUp. The registration process is set up in the same manner (player requests can be made, volunteers can sign up to coach, etc.), except payment will not be made today - you are RESERVING your child's spot for soccer. As we have announced, we are currently anticipating a June 1st start date, therefore, on June 1st, your credit card will be charged in full for the soccer registration fee.

WHAT HAPPENS IF SOCCER IS POST-PONED PAST JUNE 1?

Should we be required to delay the start of the 2020 Outdoor House League Season, we will also change the date that your credit card will be charged for the full registration fee. We will send an email to all registrants indicating the new season start date, as well as the new date in which their card will be charged.

WHAT HAPPENS IF I WANT TO CANCEL MY CHILD'S RESERVE TO PLAY/ SOCCER REGISTRATION?

Should you choose to cancel your child's registration you will be required to send an email to Francesco (Francesco.dirauso@vaughansoccer.com) prior to your credit card being charged in full.
