Ongoing health checks and COVID-19 screenings have become the new normal for many sports organizations as a key safety measure suggested by local governments and health regulators.

For Vaughan Soccer Club 2021 Season, **ALL MEMBERS MUST** use the 'Check-In' Now app created by our service provider, PowerUp Sports. This feature will allow parents/guardians to easily use a screening tool that can be self-administered by participants prior to each group activity/session.

HOW TO DOWNLOAD THE 'POWERUP CONNECT' APP

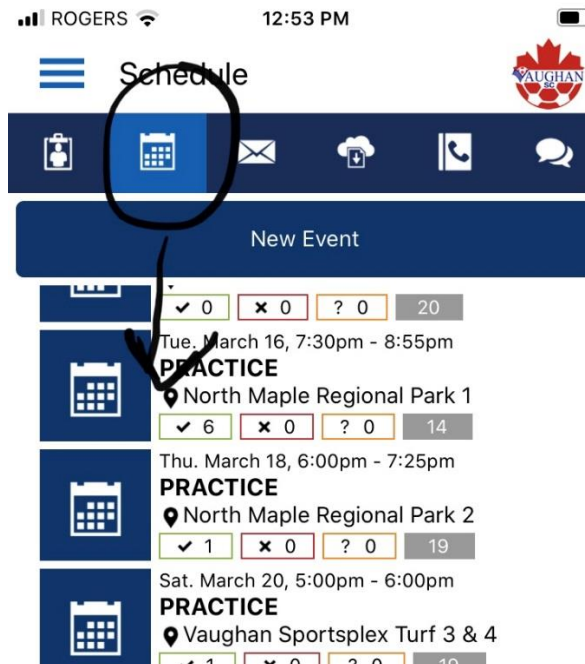

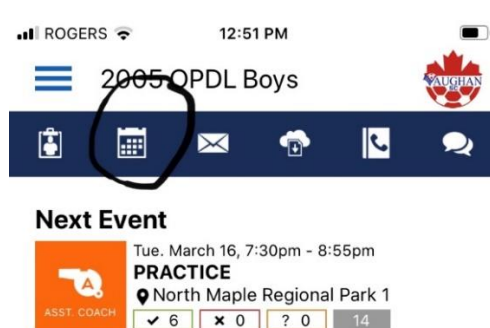

Members with smartphones that cannot run the available apps can still check on their schedules at the mobile version of the PowerUp Member Zone at <https://m.powerupsports.com/index.php?page=LOGIN>

HOW TO COMPLETE CHECK-IN & ATTENDANCE

The Event Check-In tool allows registered guardians to complete a series of screening questions for in progress or upcoming events scheduled on that day in the system, allowing them to be captured in the Attendance Reports. Event Check-In is available on the PowerUp Connect mobile app, as well as on <https://m.powerupsports.com/index.php?page=LOGIN>

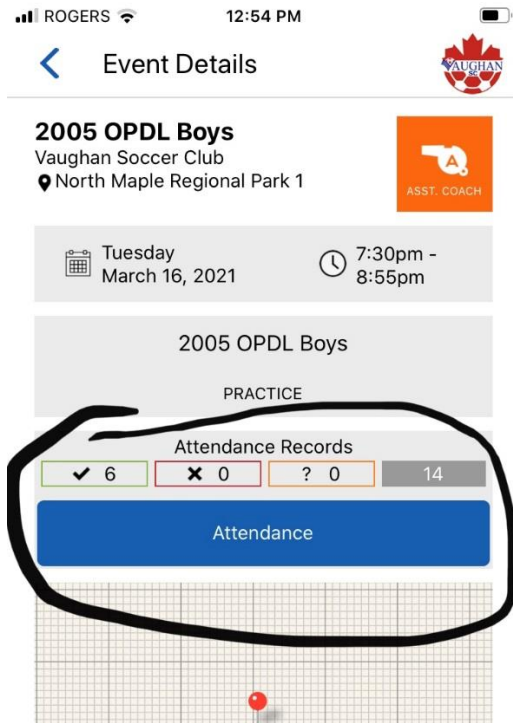

Step 1. Confirm attendance

All players must confirm their attendance at each training session, by clicking on the calendar under the team section: This can be done is advanced. Go into calendar and select the date desired.
