COVID-19 Procedures

VSC is dedicated to following all procedures recommended by governments and health agencies on proper protocols.

COVID-19 Screening

Ongoing health checks and COVID-19 screenings have become the new normal for many sports organisations as a key safety measure suggested by local governments and health regulators.

For the VSC Summer Camp 2022 Program, ALL MEMBERS MUST use the 'Check-In' Now app created by our service provider, Power Up Sports. This feature will allow parents/guardians to easily use a screening tool that can be self-administered by participants prior to each group activity/session. Parents are required to download the Power Up app and complete the Covid-19 questionnaire on the Power Up app to show their child is "Checked In" prior to the player entering the field. Please see the [link](#) for information on how to download and use the app.

Cancellations and Refunds

If written cancellation is received by the registration office at least 7 days prior to the start of the camp week, a refund (less the non-refundable \$50 admin fee per child) will be provided. No refunds will be provided once camp has started for any reason. There are no refunds given due to inclement weather unless an indoor facility is unavailable. If an indoor facility is unavailable to secure for inclement weather, refunds will be prorated based on half or full days (for more details, see Indoor Facility/Inclement Weather policy below). There will be full refunds in the event we are prohibited from operating due to a governmental decree or lockdown related to COVID-19 or any other infectious disease emergency.

Programming

Vaughan Soccer Club reserves the right to change or update our policies, terms and conditions and/or programming as the Ministry of Health or health professionals may make recommendations and/or changes to the covid-19 guidelines prior to and/or during the summer.

Lost/Stolen items Policy

VSC, its staff and members cannot be held responsible for lost, damaged or stolen belongings including clothing, soccer balls and electronics. Campers should not bring valuables to camp.

Indoor Facility / Inclement weather

Securing indoor facility permits for inclement weather periods will depend on the public health guidelines at the time. If Vaughan Soccer does not have an indoor facility secured at the time of camp, during inclement weather times/days parents will be called to pick up their camper as soon as possible (within 30-45 minutes). Prorated refunds

would be provided based on half or full days, depending on how much time was missed due to inclement weather. For example, if parents are called to pick up their camper at 10am due to inclement weather, a pro-rated refund of 20% (1 day of camp) of your registration fee will be refunded. If parents are called at 2pm due to inclement weather, a prorated refund of 10% (1/2 day of camp) of your registration fee will be refunded. Our camps run primarily outdoors so the only time camp would not run is during extreme inclement weather (refunds are only provided if Vaughan Soccer cancels camp that day, not if parents decide to cancel on their own). When we secure an indoor facility, camp will continue until inclement weather clears, soccer and active games will likely not be played indoors however we'll continue to have fun activities programmed.

Sign In/Out procedure

During the registration process, you'll be asked to list the names of authorized people to drop off and/or pick up your camper. The sign in/out procedure will be finalized closer to start of camp as we adhere to Ministry of Health protocols and best practices. A camp reminder email will be sent approximately one week before the start of your camp with details on this procedure. If your camper is not being signed in/out by a parent/guardian daily, please complete a Sign in/out release form available during the online registration process.

Anti-bullying

We are committed to providing a caring, friendly and safe environment for all participants. Bullying of any kind is not tolerated at our camps. We reserve the right to ask you to remove your camper from camp if we deem the behaviour to be inappropriate. There are no refunds for campers that week if asked to withdraw mid-week.

Nut Policy

We strive to maintain a nut-free camp and ask that you refrain from sending peanut or nut products to camp.

Medical/Epipen form

For any medical issues or life allergies, please note the Medical/Epipen during the online registration process.

Camp Checklist

Campers are responsible for bringing their own snacks, lunch, drinks to last them the entire day. It is recommended to bring a hat, sunscreen and a change of clothes.
